

Rescue Affiliate Information

Thank you for your interest in becoming a new Rescue Affiliate with Dallas Animal Services!

In order to fully onboard you with our organization, we do have an application process for any new Rescue Affiliates. After you complete our application and are approved, you will be able to select ("tag") and pull from Dallas Animal Services (DAS). We will also make sure you are on the appropriate communication lists based on your application preferences for updates and available pets that need your assistance.

The process is simple. We require just three things:

- This completed application
- A copy of your 501c3 attached (if applicable)
- A signed copy of the agreement between your organization and Dallas Animal Services.

If you are having trouble, or have more questions, please reach out to us at dasrescue@dallas.gov & we'll be happy to assist.

* Required
